

This is not a colorful woven tapestry. It is not a painting. It is the most detailed image of a human cell to date, obtained by radiography, nuclear magnetic resonance and cryoelectron microscopy. They estimate that we have 30 trillion and they all must work in harmony to carry out the basic functions for humans to survive.

By the way when David wrote Psalms 139 it was thousands of year before today's microscopes

Psalms 139 (Personalized)

"God, You made all the delicate, inner parts of [redacted] body and knit me together in my mother's womb. Thank you for making me so wonderfully complex! Your workmanship is marvelous—how well I know it. You watched me as I was being formed in utter seclusion, as I was woven together in the dark of the womb. You saw me before I was born. Every day of my life was recorded in your book. Every moment was laid out before a single day had passed. How precious are your thoughts about [redacted]

**O God. They cannot be numbered! I can't even count them; they outnumber the grains of sand!
You are ALWAYS with me!"**

THE "LIGHT" CHANGES EVERYTHING

John 8:12 (personalized)

"Jesus spoke to the people and said,
"I am the light of the world. If you **follow me**,
_____, you won't have to walk in darkness,
because you will have the light that leads to life."
(Abundant Life!)

What does it mean to follow Jesus?

Please read Matthew 22:37-39

If we are honest, it is pretty hard to argue that creation happened without "intelligent design", or that a "big bang" was able to create a brain, heart and 30 trillion cells in each of us and no two humans are alike.

So if you establish that there must be a God, it is hard to imagine that He would know us, let alone have good thoughts about us. And yet He created us for the purpose of a relationship with Him. Ps. 139 tells us that He is always with us!

We have all made bad decisions we all have sinned. All other "religions" teach that if we are more good than bad we might get to heaven. Jesus is the only one that chose to give His life for us, He paid the debt for us. The best news is that His love and acceptance of us is unconditional. The Grace of Jesus is there for EVERYONE. Please read John 3:16. You may know this by heart but this time read it and insert your name in the blank spots below

THIS IS THE GOOD NEWS

John 3:16 (personalized)

"This is how much God loves _____,
He gave His one and only Son Jesus, so
that everyone (including _____)
who believes in Him will not perish but
have eternal life!"
